

Covid19 Guidelines for USTA League Matches

Masks are required while on BRSC premises

- Players may remove their masks while playing but will need to put their mask back on while not on the court

Social/Physical Distancing

- Please always follow social/physical distancing guidelines of 6' as outlined by CDH and CDC

Tennis Balls

- Additional cans of tennis balls are available for purchase inside the clubhouse or using the doorbell for service on the back, snack bar patio

On Court Water / Score Trees

- These services are currently unavailable
- Please bring your own water or it is available for purchase at the snack bar
 - We also have two water bottle filling stations
 - One located in the clubhouse snack bar
 - One located in the Founder's Courts next to the restrooms

Snack Bar

- Beer/Wine/Soda/Water as well as grab-and-go snacks are available for purchase
 - No outside Alcohol is allowed on premises
- Please maintain social/physical distancing while enjoying items from our snack bar
- Mask may be removed while eating/drinking but please put your mask back on as soon as you are finished

Hand Sanitizer

- Available throughout the clubhouse and on all courts
 - We recommend using hand sanitizers as often as possible

The number of cases is rising and spreading rapidly within Ada County. Please follow CDC guidelines, and do not visit the Club if you have been exposed to the virus or you are having symptoms. Please quarantine yourself for 14 days or be tested with negative results. Help us keep the Club fully operational by taking our precautions seriously and following our mask policy.
