RE: Parking in and around BRSC

BRSC Members, Business Neighbors:

At the onset of our renovation and expansion project, it feels important to clarify the parking agreements and conditions in and around BRSC. These agreements were set up and filed with Ada County in 1977 and 1983. The construction project will inevitably strain our already congested parking situation. It is therefore critical that all parties involved commit to the standing agreements and exercise patience and understanding.

Attached you will find a map identifying which parking spaces belong to which entities. Detailed explanations of each highlighted area as specified in Easement and Parking Agreements are as follows:

- Spaces highlighted green are dedicated BRSC parking only, without exception.
- Spaces highlighted pink are owned by BRSC and shared with the Dental Offices neighbors from 8am-5pm, Monday through Friday.
- Spaces highlighted orange are owned by BRSC and shared with Executive Business Park office neighbors from 7am-6pm, Monday through Friday.
- Spaces highlighted blue are owned by the Dental Offices and shared with BRSC from 5pm-end of day, Monday through Friday as well as on weekends.
- Spaces highlighted purple are owned by Executive Business Park and shared with BRSC from 5:30pm-end of day, Monday through Friday as well as on weekends.

Please be mindful as you park. Do not occupy more than a single stall. Do not leave your car in the lot for an extended period of time. Do not park in undesignated lots or stalls as stated above. Vehicles in violation of these acts can and will be towed at the owner's expense.

Please take your time entering and leaving, yielding to pedestrians and other vehicles; open your doors slowly; consider carpooling to and from the club. It will be a period requiring patience and understanding, but we hope that the end result will be worth it: an improved facility and additional dedicated BRSC parking.

Respectfully,

BRSC Management
