

COVID-19 Safety Protocols

May 21, 2021

Following the CDC Interim Public Health Recommendations for Fully Vaccinated People announced May 13, 2021, (<https://www.cdc.gov/coronavirus/2019-ncov/vaccines/fully-vaccinated-guidance.html>) Boise Racquet and Swim Club has updated it's COVID-19 safety protocols to the following:

- Masks will no longer be required outdoors.
- Fully vaccinated people can resume activities without wearing masks or physically distancing.
- Prevention measures are still recommended for non-vaccinated people.
 - Wear a mask that covers your nose and mouth to help protect yourself and others while indoors.
 - Stay 6 feet apart from others who don't live with you.
 - Get a COVID-19 vaccine when it is available to you.
- Staff are required to wear masks indoors. Staff members may go without a mask indoors if documentation of vaccination is provided to the General Manager.
- Disinfectant will continue to be available throughout the club and frequent hand washing is encouraged.
- Other amenities and services in the club will begin to expand.
 - Clinic and camp sizes will increase to their pre-pandemic size.
 - Fitness classes held indoors may operate without masks.
 - Gym occupancy limits will be eliminated and reservation system cancelled.
 - Saunas will be opened.
 - Lounge and snack bar seating will increase.
 - Pool operations will continue as previously planned but follow the new mask guidance.
