

Club Notice and COVID Policy Update: 1/11/21

Masks

The city of Boise has issued an order that masks must be worn, and if a business licensed in Boise does not follow the guidance, closures of the business will be issued. If a citizen sees violations, they can report it and citations/closures will be issued. For the 1st offense it is a 10 day closure, 2nd offense is a 20 day closure, and 3rd offense is a 1 year closure. Please help keep BRSC open and wear your mask. **Masks must be worn at all times (covering nose and mouth). The only exception is:**

- *Those playing tennis may remove their masks while playing but will need to put their masks back on when leaving the court.*
- Snack bar and social lounge are open under the following guidelines:
 - **Must always be seated when eating or drinking**
 - 10 seats available in the lounge and 10 seats available in the snack bar
 - 2 areas in the Founders building with seating for 10 people each
 - Patio tent will be open with seating for 10
 - Seating is on a first come, first serve basis
 - NO MASK, NO SERVICE at the snack bar window
 - Physical and Social Distancing
 - Coffee and cups for water will be returning, but please continue to bring your own water bottle to keep the contact between staff and members at a minimum
- Patio doors will be unlocked and open for access to the lounge
- Showers are closed (locker rooms will be accessible)
- Weight room is operating with the following guidelines:
 - Gym access is by reservation only (call the front desk to schedule your time)
 - Gym capacity is limited to 5 including personal trainers and their clients
 - **Masks are required while in the gym** [if you get winded and need to catch your breath please pull your mask down, catch your breath, and then replace your mask (covering nose and mouth)]
- Fitness classes are continuing as scheduled
 - In person classes are limited to 6 (no limit for virtual participants)
 - **Masks are required while in the fitness room** [if you get winded and need to catch your breath please pull your mask down, catch your breath, and then replace your mask (covering nose and mouth)]
- Blocks, lessons, and clinics are continuing as scheduled
