

Tennis Guidelines 2020

Phase 2: effective June 12, 2020

General

- Court reservations in advance are mandatory; absolutely no walk-ons
- Court reservations should be limited to no more than 90 minutes
- Courts are for members only, no guests
- The Casino building will be closed; only the Pros will have access
- The playground is closed
- When at the Casino, practice social distancing and wear a mask when not on the court

Playing

- Please arrive only at your designated playing time
- Doubles is permissible but please understand that you are taking and introducing added risk; please consider limiting playing partners to a small, regular group
- Doubles for 16 and under is prohibited except for families (those sheltering-in-place together)
- Bring your own water bottle (there will be no water on the courts), hand sanitizer, towels, sharpie
- Each person should bring their own balls and ensure you can identify them (e.g. mark each ball with a sharpie); only serve and handle your own tennis balls
- Use your foot or racket – not your hands – to get balls to your partners
- Do not sweep the courts after play; the courts will be swept by the pros in the morning, mid-day and other times as needed
- Avoid touching the court gates, net, etc.; the gates to the courts will be tied open
- Be smart about personal distance when changing sides of the court and taking a break
- Children under the age of 16 should be supervised

Lessons and clinics

- In addition to lessons, adult clinics are permissible with a maximum of 4 players per court excluding the pro (maximum of 5 people on a court)
- Reservations are mandatory
- No junior clinics at this time
- Only the Pros should touch the lesson balls - you can help gather balls with your racket and feet

Please do your part in keeping the club safe for all members. Don't come to the club if you are ill or have had any contact with potentially infected persons. Wash your hands before and after play. Touch as few surfaces as possible while on the courts. Respect and practice social distancing guidelines.

If you see non-compliance, please either say something or send a note to the Board (via president@mattapoissettcasino.com); it is unfortunate we need to implement these policies but we must be united in this new and temporary situation
