The BCCTC will host summer singles and doubles leagues for high school and middle school tennis players. You will play matches against opponents at your level in leagues held Monday, Wednesday and Saturdays. Over 12 school districts will be included. The leagues are free to club members, \$10 each session for non-members. Junior annual membership (\$140) provides the ability to reserve courts on-line (BCCTC has no court fees for members), access to the pickleball courts and reduced rates for clinics and lessons. Please sign up on our website or email steve@bcctennisclub.com
