

Introducing Center Court Tennis Club

# Women's Quad Doubles League

Fridays 11:30-1:00pm

FORMAT:

- Each court will consist of 4 players
- Each player will play 9 total games (3 with each player on their court)
- After the player has played 9 games, the player with the most games won will move up one court the following week . The player with the least amount of games won will move down one court the following week.
- Court assignments for Week 1 will be based on NTRP ratings
- The front desk will have a score card ready for each court
- New balls will be provided each week
- Subs: If you cannot attend a specific week, you are allowed to have a player take your spot for that week. The player can only keep you on the same court or move you down based on how you do. They are not allowed to move you up even if they win the court that week.

Registration:

If we have reached a maximum capacity before the deadline anyone that wants to register will be put onto a sub list.
