Players should sign in and pay 15 minutes prior to their match time. Captains may not coach during the match.

You need 4 players for each match. Your strongest player should play #1 singles and your next strongest should play #2 singles. Your least experienced 2 players should play doubles. Each match will be best 2 of 3 sets using a match tiebreaker (10 point) instead of a third set.

Cost is \$18.00 per match for STC members and \$20.00 per match for non-members. If you don't play, you don't have to pay.

Please send us your roster of players ASAP. Also, please make sure you email us your line ups each week to [coordinator@schroedertennis.com](mailto:coordinator@schroedertennis.com) or call them into the club at (937)669-5552 by FRIDAY at 11AM.
