## COVID-19 SAFETY PRECAUTIONS

---

*The safety of our players and staff is our number one priority. We want to assure everyone that we are doing everything we can to make the environment in the club as safe as possible. For everyone's safety, we will be implementing the following guidelines that were put out by the USTA, USPTA, and the Governor of Ohio.*

- We ask all players to do a self- assessment, if you are sick, please don't come into the club.
- Players must wear facial coverings while in the lobby or restrooms. Coverings can be removed once on the court. Our staff will also be wearing facial coverings when not on the courts.
- Anyone entering the club must wash or sanitize hands upon entry. We will have sanitizer set out throughout the club.
- Everyone must practice social distancing, please stay at least 6 feet apart.
- Maximum of 4 players per court
- Nets between courts will stay closed.
- We recommend you do not use the score cards.
- Reservations will be mandatory. Please do not arrive early. Please exit the club immediately after playing.
- Parents, please drop your kids off for classes instead of staying to watch.
- No congregating in the lobbies.
- Showers will be closed.
- We will not provide towels.
- Our drinking fountain will be closed, we will have bottles of water for sale as usual.
- Classes will also have a maximum of 4 players per court. They will be spread out as much as possible. With any larger classes, we will not bring the players together as a group, we will keep them spread out on the courts.
- We will be staggering classes, leagues, and court times so that everyone is off of the courts and out of the club by the time the next group arrives.
- We will be wiping down all frequently touched surfaces such as the door handles, ball hoppers, counters, restrooms, etc. every 2 hours per the recommendations put out by the CDC.
- We will do a special deep cleaning of the club every night.

*We appreciate your support. By following all of these guidelines we will keep each other safe!!*
